

Rising Stars BMX Camps 2018

Introduction

-  The Ontario Cycling Association Rising Stars BMX Camps are an opportunity to identify athletes that have the ability to be considered for future Canadian NextGen programs.

Targeted Athletes

-  The target cohort is the athletes that have potential to race Junior Development in 2018-2022

Objectives

-  To identify talent through clubs, competitions, and coach observation and direct them into National NextGen programs and National Team pathways.
-  To host two development camps with enhanced SX training opportunities.
-  To provide athlete skills analysis and execution review in a camp setting.

Selection Standards: Selections (Max 16 athletes)

-  Must be age 10-16 (T2T-L2C stages of BMX LTAD)
-  Athletes must be Expert in 2018 and hold a valid 2018 UCI License
-  Riders must NOT already be included in National Team programming (NT or NextGen)

Selection Pool Criteria:

-  Athletes that have demonstrated (through coach assessment):
 - Ability to master highly technical skills; manuals, jumping, double manuals etc.
 - Technical ability and confidence on technical tracks
 - Athletes have had some SX exposure through Canada Cup events

Athletes will be invited program based on strength of athlete EOI and 2017 results/technical ability)
