2019 Road Season Event Calendar Selection Process (Ontario Cup, Regional, Provincial, Citizen Events)

NOTICE:

This is an important notice to all organizers interested in hosting a road event in 2019 (citizen event, regional, Ontario Cup, Provincial Championship, etc.).

Any group (individual member, affiliated club, or team) interested in organizing one or more events during the 2019 season, must submit an Expression of Interest for each event. Expression of Interests must be received by the Ontario Cycling Association's Office no later than **12:00 PM on Friday, November 9th, 2018**. All applications received after this date will still be considered for inclusion in the 2019 event calendar but only after the preliminary calendar is set.

Organizers on record within the group hosting a competitive event must hold an Ontario UCI license with the ORG designation. In order to receive this designation, the license holder must have passed a provincial level Commissaire course within the discipline of the event being organized. Please contact the OCA office for information on the next available course.

Event dates will be determined in order as follows (using the date choices provided on the Expression of Interest form):

1. UCI Events
2. National Events
3. Provincial Championships
4. Ontario Cups
5. Regional Events
6. Citizen Events
7. Gran Fondo
8. Tour/Charity

Unless indicated on this form, organizers who do not receive the sanction level they requested, will be automatically considered for the next highest sanction level (i.e. Ontario Cup to Regional). Unless given special dispensation, no event may be awarded an Ontario Cup sanction (or higher) without having run the event previously at the sanction level immediately below it.

NEW! Please complete the Expression of Interest form online via CCN at the following link:

We look forward to working with each of our organizers this season!
