## 2017 Ontario Cyclo-cross Upgrade Points - Start of Season

## **CX UPGRADE RULES**

Points will be carried over for one season.

Points are only awarded at Ontario Cup or Regional Sanction events. Points are not avaiable at Citizen sanctioned events. Points are awarded per category.

Any points earned by a rider in 2016 (unless they have already upgraded or reach the mandatory cut-off) will be what the rider starts with for this CX season. You will note this in the 2017 Starting Points Column.

Points earned in 2017 (2018 CX season) will be carried over to the start of the 2019 CX Season (Sept 2018), however any points from 2016 calendar year will be lost.

Riders start with a fresh slate of points when they upgrade.

There are NO exemptions to mandatory upgrades without approval by the OCA Upgrade/Downgrade Committee. ANY rider with enough points to be mandatory upgraded, will be upgraded immediately.

Upgrade/Downgrade Committee reserves the right to review category numbers post-season and should re-allocation of members be required, can implement a system prior to the 2019 CX season (Sept 2018-December 2018) to achieve this.
