

2019 Ontario Cyclo-cross Upgrade Points - Start of Season

CX UPGRADE RULES

Points are only awarded at Ontario Cup or Regional Sanctioned Events running ability based categories. Points are awarded per category and the rider count of a category is based on the total number of starters (DNS riders will not count in total).

Points will be carried over for one (1) season. Any points earned by a rider in 2018 (unless they have already upgraded) will be what the rider starts with for this CX season. You will note this in the **2019 Starting Points Column**.

Points earned in 2019 will be carried over to the start of the 2020 season (Sept. 2020), however any points from 2018 calendar year will be lost at that time.

Riders start with a fresh slate of points when they upgrade.

***UPGRADE EXEMPTIONS:** Master Male riders who have a racing age of 50 years or older in CX, will be exempt from a mandatory upgrade to M1. Riders in this age bracket who achieve enough points may still choose to upgrade however. *

The OCA Upgrade/Downgrade Committee reserves the right to review category numbers post-season and should re-allocation of members be required, can implement a system prior to the CX season to achieve this.
